### PROFILE

I am Dudley Walker, a first-year student at the University of Technology, pursuing a Bachelor of Science in Computing degree(Computer Science). The intersection of my academic pursuits with my love for sports such as Football and Cricket and my love for technology will help me become a well-rounded individual as I go through life. I am a very driven and focused individual who's eager to develop my skills and add more through my experiences in life. I am experienced in working on projects from conception to final production, especially in computing.
